- All parents are welcome to attend the upcoming **Home and School Meeting** on May 6th especially those who are interested in helping with spring initiatives- Family Fun Night, Golf Tournament, Grade 5 Moving On events.
- **Purple Day – Thursday, May 14** We encourage all students and staff to wear purple on Thursday, May 14th in honour of Caroline Lorette, who tragically passed away in 2014 due to an allergic reaction to dairy. Purple Day was established by the Sweet Caroline Foundation to promote awareness and education about food allergies in Caroline's memory. Purple, Caroline's favourite colour, has become a **symbol of support and advocacy, helping to raise awareness and prevent life-threatening allergic reactions**. Let's come together as a school community and turn our halls purple on May 14th!
- Fairvale Elementary Home & School Committee is excited to host its **2nd Annual Golf Tournament and Silent Auction on June 13, 2026, at Hampton Golf Course** in support of much-needed upgrades to the beloved **Ultimate Dreamland Playground**, a space enjoyed by students, families, and the wider community for many years. This fun-filled event will bring together golfers, local businesses, and community members for a day of connection and friendly competition, all while raising funds to ensure the playground remains safe and accessible for future generations. We invite you to **consider supporting this important initiative through a donation, hole sponsorship, or team registration**. Please see the attached document for full details on how you can get involved.
- To purchase **school apparel**, please visit: <http://fairvaleelementaryschool.entripyshops.com/>
- **Reminder: Morning Supervision and Student Safety** We are noticing an increasing number of students arriving at school and going onto the playground before 7:45 a.m. Please be reminded that there is no supervision in place before 7:45, and students should not be on school grounds prior to that time.
- **Spring Outdoor Play Reminder** - With the arrival of spring, outdoor play remains an important part of our students' daily routine and overall well-being. Children will continue to go outside each day, except during periods of heavy rain. **As the weather can be variable at this time of year, please ensure your child is dressed comfortably and appropriately for changing conditions (e.g., layers, waterproof clothing, and suitable footwear) so they can fully enjoy their time outdoors.**
