- Our Home and School Committee is excited to invite families to a **Holiday Movie Night** on Friday, December 5th! This is a free event, but we kindly ask for donations to the KV Food Basket. To help us stay within the maximum capacity of our gymnasium and ensure we have plenty of snacks available for purchase at the concession, registration is required through School Cash Online at the link below:

Check out the attached flyer for more details! If you are available to assist in the canteen, please email fairvalehomeandschool@gmail.com

- We're excited to announce that our **brand-new website** is now live! It's designed to make it easier for families to find important information, upcoming events, and helpful resources - all in one convenient place. Take a look around, explore the new features, and let us know what you think!

Visit us at 👉 <https://fairvale.nbed.ca/>

- Thank you to Jessica Langille and her team who have been working diligently on our school float! We hope to see many of you tomorrow evening at the **KV Santa Claus Parade**. A reminder that Grade 4/5 students who are riding on the float need to meet in the lobby at KVHS between 5:15-5:30.
- **Morning supervision begins at 7:45 a.m.** To help us keep all students safe, please avoid dropping your children off before that time, as staff are not outside to supervise earlier arrivals.
- Outdoor play is essential for children's well-being. Research shows it supports physical health, boosts mood, strengthens social skills, and enhances learning. To ensure students benefit from this valuable time outdoors, they will go outside each day except during heavy rain or when temperatures fall below –20°C. **Please help your child enjoy their time outdoors by making sure they are dressed comfortably and appropriately for the weather.**
- Our annual **Holiday Workshop** is a fun and festive opportunity for children to choose small gifts for their immediate family members (and even their pets!). All items are priced between \$1 and \$5, and students can have their gifts wrapped on-site to keep their surprises secret. Please refer to the attached schedule to see when each class will visit the workshop.
- To support our community this holiday season, we will be running two charitable initiatives. Our food drive, an independent school initiative, will collect **non-perishable food items and toiletries** for the KV Food Basket. In addition, in support of NBCC Hospitality and Tourism Management Program at NBCC Saint John and the Joshua Group, we will be collecting **new toys** for families in need. Families are welcome to contribute to either option. Donations will be collected from December 1st to 16th. Thank you for helping make the season brighter for those in need.
