- We are pleased to share that there will be a **Year 2 of the provincial calendar pilot**. As soon as I receive the updated calendar, I will share it with you. The additional days this year have been invaluable in building teacher and EA capacity through targeted professional learning aligned with our school priorities. They have also provided opportunities for classroom teachers, resource teachers, and EAs to collaboratively review data and plan for the diverse needs of our students. In addition, these days have allowed teachers to work together in their PLCs, as well as individually, to support improved outcomes for all students. The Department of Education has engaged DataNB to review both qualitative and quantitative data related to this initiative, which was implemented province-wide in the Francophone sector three years ago.
- **Go Go Afterschool** is expanding next year (pending licensing) and are hopeful to eliminate the waitlist. For families looking to inquire, please email Afterschool@gogogym.com or phone at 1-877-977-4646.
- If you missed the May 22nd deadline to purchase a **yearbook**, you will need to contact Flewwelling Photography directly.
- **Red Shirt Day** (of Action for AccessAbility and Inclusion) is a national day that encourages people to wear red to show support for accessibility, inclusion, and equal opportunities for people with disabilities. It helps raise awareness about creating communities where everyone feels valued, respected, and included. Throughout the day, students will participate in conversations and activities that celebrate diversity and promote kindness, empathy, and inclusion for all.

- Fairvale Elementary Home & School Committee is excited to host its **2nd Annual Golf Tournament and Silent Auction** on June 13, 2026, at Hampton Golf Course in support of much-needed upgrades to the beloved Ultimate Dreamland Playground, a space enjoyed by students, families, and the wider community for many years. This fun-filled event will bring together golfers, local businesses, and community members for a day of connection and friendly competition, all while raising funds to ensure the playground remains safe and accessible for future generations. We invite you to consider supporting this important initiative through a donation, hole sponsorship, or team registration. There will be a **Putt for a Prize for all interested F.E.S. students** at 11:30 prior to the tournament that will run no more than 30 minutes.
- Reminder: **Morning Supervision and Student Safety** We are noticing an increasing number of students arriving at school and going onto the playground before 7:45 a.m. Please be reminded that there is no supervision in place before 7:45, and students should not be on school grounds prior to that time.
- **Spring Outdoor Play Reminder** - With the arrival of spring, outdoor play remains an important part of our students' daily routine and overall well-being. Children will continue to go outside each day, except during periods of heavy rain.
