Career Dress-Up Day!

On Tuesday we are inviting students to dream big and dress for the future! On Career Dress-Up Day, students can come to school dressed as a professional from a career they admire or aspire to. Whether it's a doctor, plumber, artist, pipefitter, engineer, chef, teacher, or astronaut - we can't wait to see their creativity and hear about their dreams! This fun day helps students explore different career paths and imagine all the possibilities ahead.

F.E.S. Career Expo

We are excited to host this year's F.E.S. Career Expo on the morning of Thursday, November 20th and are still **looking for more families and community members to join us** for the morning to share their careers. Please reach to Mr. Urquhart at Earl.Urquhart@nbed.nb.ca for more details or to sign up.

Holiday Movie Night – Friday, December 5th!

- Our Home and School Committee is excited to invite families to a Holiday Movie Night on Friday, December 5th! This is a free event, but we kindly ask for donations to the KV Food Basket.

To help us stay within the maximum capacity of our gymnasium and ensure we have plenty of snacks available for purchase at the concession, registration is required through School Cash Online at the link below:

☞ <https://asd-s.schoolcashionline.com/Fee/Details/74698/193/False/True>

Check out the attached flyer for more details—we can't wait to see you there!

Check Out Our New Website!

- We're excited to announce that our brand-new website is now live! It's designed to make it easier for families to find important information, upcoming events, and helpful resources - all in one convenient place. Take a look around, explore the new features, and let us know what you think!

Christmas Parade Float

- Thank you to Jessica Langille for stepping up to lead our holiday float committee. We look forward to seeing our nutcracker themed float. **We really need your help to make our Christmas Parade float happen!** Right now, we don't have enough volunteers to get everything built, decorated, and taken down—and without more help, we won't be able to pull it off.

We're looking for extra hands on these dates:

- Thursday- Friday, November 27/28: Construction and setup
- Saturday, November 29: Decorating and final touches before the parade
- Sunday, November 30: Tear down and cleanup

Even an hour or two makes a huge difference. You don't need any special skills—just a willingness to help and a little holiday spirit!

If you're available, please reply to mcleanjessc@gmail.com to let us know which day(s) and times you can help. We'll follow up with more details on location, timing, and what to bring.

Thank you so much for supporting our school float, I know the students are really excited!

Information Items

Your voice matters! The **New Brunswick Student Wellness and Education Survey** is now open, and we'd love to hear from you. This short survey (about 5-10 minutes) is available from **November 1st to November 30th**.

By sharing your perspective, you help us understand the daily habits and wellness of your child and family, provide better information to your child's school, support programs and initiatives that promote healthy, happy kids

How to Participate:

- Click on this link: <https://cci-survey.ca/sws-k5/>
- Complete one survey for each child in kindergarten to Grade 5.
- Only one parent/guardian should respond per child.

Answer the questions:

- Your answers are completely anonymous.
- You may skip any question you prefer not to answer.

Please complete the survey in one sitting, as you cannot return later.

Click "Submit" when you are done to save your responses.

The survey asks about topics such as your child's physical health and daily habits and family lifestyle. More details, including a sample questionnaire, fact sheet, and FAQs, are available at www.nbhc.ca/swes. Thank you for taking a few minutes to help us build a healthier future for all New Brunswick students — including your own!

Student-Led Clubs begin next week! Clubs give students a chance to explore their interests, try new activities, and build leadership skills - all led by our amazing students. Clubs include basketball, drawing, gymnastics, soccer, arts and crafts, LEGO fun, hockey, slime making, baking, games, baseball, dance, and more!

Parent Teacher Meetings

Our Parent-Teacher Meetings will take place on December 4th and 5th. A link to sign up through Microsoft Bookings will be shared in next week's communication. We look forward to connecting with you and discussing your child's progress!

ACCELERATE Workshop – December 5th (Parent Teacher Day)

- Vision Coaching and KV Oasis are partnering to offer ACCELERATE — a fun and engaging one-day (4-hour) program that combines movement activities with interactive lessons on leadership, communication, teamwork, and self-confidence. This opportunity is open to Grade 4–5 students who identify as girls or non-binary. The session will take place at the school on Friday, December 5th, from 9:00 a.m. to 1:00 p.m. Space is limited to 15 participants. If interest exceeds this number, a draw will be held. Families are responsible for transportation. Please see the attached flyer for more details. To register, email Mrs. Logue at Tina.Logue@nbed.nb.ca by end of day Friday, November 14th.
